

## Antarctic Adventure!

**For all Adventurers, please read this document carefully.**

### Acknowledgement and Assumption of Risks

Your Antarctic Adventure will be held on a controlled environment, never the less there are some general risks that you must understand before you trip.

**Our activities necessarily include inherent risks, hazards and dangers that can cause or lead to injury, property damage, illness, mental or emotional trauma, disability or death.**

The following describes some, but not all of those risks, hazards and dangers:

1. **Risks present in an outdoor environment.** These risks include walking in wilderness though on trails. While traveling in these areas, hazards may not be marked, weather is unpredictable and, snow and ice dangers, and other hazards can exist.
2. **Risks connected with cooking and camping chores.** While camping, our personnel may cook over a gas stove or an open fire and are subject to the risk of gas explosion or burn.
3. **Risks associated with travel.** Travel could be on foot or by use of vehicle, boat or other means, and can be, in adverse weather conditions.
4. **Risks connected with geographic location.** Remote locations can create difficulties in communication and transportation and delays in evacuation and medical care.
5. **The risk that equipment used in an activity may break, fail or malfunction.**
6. **Risks regarding conduct.** The potential that you, other participants or third parties (eg rescue team) may act carelessly or recklessly.
7. **Other risks, hazards, and dangers that is generally associated with education and/or outdoor activities.**

**By voluntarily agreeing to participate, you assume and accept full responsibility for yourself**, for the inherent risks of these activities (both known and unknown), and for any injury, damage, death, or other loss you may suffer, resulting from those risks, and resulting from your own negligence or other misconduct.
